Full job description

- Well know, reputable, family owned and run construction business
- Stable business with over 25 years in the construction market

About Our Client

Our client is an independent, Australian-owned main building contractor, with a strong presence and reputation in the Southern parts of Sydney NSW. The business was established over 25 years ago and specialise in delivering projects in the education, aged care / retirement living, mixed use and residential sectors. The business has a solid 'repeat business' client base and the financial capacity to deliver projects valued up to \$150 million. The business pride themselves on their innovation and ability to work collaboratively to deliver a high-quality project every time.

Job Description

- 5-8 years (min) proven site management experience Trade qualification or associated tertiary qualification
- Strong experience in project programming & planning
- Proven ability to assist with scheduling and programming of site works
- Proven track record successfully delivering commercial (new build) project values at over \$50M
- A sound knowledge of WHS&E with solid communication and relationship building skills
