URBAN PLANNING

Full job description

Your new company

A unique opportunity exists to join a reputable boutique planning consultancy organisation based in Sydney CBD. With centrally located offices, a strong client base, as well as various ongoing exciting projects, they are looking to add a talented Town Planner to the consistently expanding knowledgeable team currently in place.

Your new role

As a statutory planner within this business, you will have the opportunity to contribute to the fantastic culture already in place and get involved in a range of niche and large-scale development projects. Tasks will include but not be limited to:

- Reviewal of Development Control Plans and planning proposals along with the preparation of preliminary statements.
- Preparation of EIS', REF's, and clause 4.6 variations to development standards.
- Preparing Statements of Environmental Effects for a range of projects including residential, commercial, and mixed-use developments ranging in scale.
- Stakeholder management including liaison with stakeholders, clients', and councils, while also representing various local and state planning panels.

What you'll need to succeed
