Full job description

Your new company

Our client has been operating on the border for over 50 years. Our client specialises in stainless steel and has worked on several large sites around the Albury Wodonga area.

Our client is expanding rapidly and are looking for several new staff to join there growing business.

Your new role

We are currently looking for several people for a range of different roles

1. 1st year apprentice in steel fabrication (Boiler Maker)
2. 2nd year apprentice in steel fabrication (Boiler Maker)
3. 3rd year apprentice in steel fabrication (Boiler Maker)
4. 4th year apprentice in steel fabrication (Boiler Maker)
5. Qualified Fabricators
6. Qualified Boiler Makers

What you'll need to succeed

Have a wiliness to learn from the best in the business, take control of your task to the highest level and show attention to detail.

What you'll get in return

A fantastic working environment, a leader who will show you everything you need to learn to succeed in your training. You will get a fantastic pay rate that's above award.

If you take a apprenticeship you will get the most outstanding training and guidance to see you through your training.

If you take the qualified roles you will further your skills and get to add your trademark to the business, you can add skills to your trade, and get a outstanding pay rate.

What you need to do now

If you're interested in any of these roles, click 'apply now' to forward an up-to-date copy of your CV, or call us now kirsten.sharp@hays.com.au
