Full job description

Your new company

This organisation is a renowned and successful consultancy providing professional town planning, environmental planning, landscape architecture services, civil engineering design and project management expertise across a diverse range of clients Australia wide.

Your new role

This position is led by a highly experienced Management Team we are looking for a motivated and driven individual. Offices are located throughout New South Wales, Queensland and Victoria with this role being based in Kingscliff or Lennox Head NSW.

What you'll need to succeed

The successful candidate will possess:

- At least 3-5 years experience in a similar role
- An understanding of the development and legislative planning processes across various state and local government agencies
- Experience in research, preparation, coordination and submission of inspections, reports, plans, assessments and applications
- Experience in briefing and coordinating Consultants and Junior Staff as appropriate
- Strong communication and presentation skills
- Ability to think creatively, critically and strategically
- Competence to work independently and as part of a team
- Relevant tertiary qualifications

What you'll get in return

Working from their Kingscliff or Lennox Head office, you will join an ambitious community-shaping team. Diversity in your work from project inception and due

diligence assessment, development scheming and concept design, strategic and statutory planning, project and client management, advocacy, and representation. Salary package commensurate to your qualifications, skills and relevant experience.

What you need to do now
