Initial Contract Basis

Perth WA

Competitive Rate

About the company:

Green Light is one of Australia's most successful and fastest-growing IT services businesses. We offer a wide range of IT services in Security, infrastructure, and Systems Integration to a diverse customer base throughout Australia, New Zealand, SE Asia, and Europe.

About the engagement:

Green Light is looking for a **Senior iOS Developer** for **one of** our clients to assist in the health sector.

This role is full time opportunity on an initial 18-month Contract moving to permanent after the 18 months, working in Perth WA with work from home up to 2 days a week.

About the role:

The successful candidate will be appointed to perform the role as one of the **Senior iOS Developers** upgrading and bringing forward existing applications.

Requirements:

- Extensive software developer experience
- multiple years of experience on the iOS platform using Swift/Swift UI and Objective-C
- Familiar with Combine, Swift async/await and structured concurrency
- Built UIs using various techniques i.e. SwiftUI, Xibs and Storyboards
- Strong appreciation of UX/UI, Apple's HIG (Human Interface Guidelines)
- Solid understanding of Core Data and concurrency concepts and an understanding of MVVM software architectural pattern
- Experience in test-driven development and test automation
- Worked and collaborated within a team using Agile (Scrum, Kanban)

Desirable:

- Experience with .Net
